Sir:

RESPONSE TO RESTRICTION REQUIREMENT

In response to the Restriction Requirement issued March 26, 1999, the applicant elects the claims of group 1, i.e., claims 1 - 13 and 38 - 41, with traverse.

This Restriction Requirement is traversed because it is believed that all of the claims can be efficiently examined in a single application and that the searches for the claims of groups 1 and 2 will be at least partially overlapping.

Prompt and favorable action on the merits of this case is respectfully solicited.

Respectfully submitted,

Viktor Keller et al
